

Renewal of Teacher or Educational Specialist Certification

In working to develop Professional Renewal Plans (PRP), receive approval of PRP's, or in seeking support for any certification question, the following building/site assignments are in place. Please see the SSGC member assigned to your building or site.

There are new members on the Governance (SSGC) certification committee appointed last spring by former Superintendent Jeanne Whynot -Vickers. The current members of the SSGS are Joann Galli, Bernadette Gratto, Gail Hood and Gary Vines. Each member has been assigned specific schools and the lists are below.

Teachers are to write goals at least two years out for their recertification plan. The packets for the recertification should be housed in each school office or can be access on line at the PPS Web Site.
